Love that's family gives it to me life licht blick	Albania Asyl	Time	idea	football fotografisti flüchtlinge
step 1 search for associations for all letters of the name do it according to certain categories, eg : • the country / place of origin of the person • dreams / hopes / values • emotions • interests • experiences				
life can be changed from the time, you can be a football player but you never can forget the place where you born, so who you are and who think about which way do you take witch way do you take				

step 2

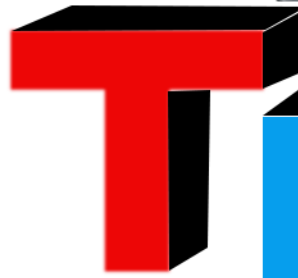

Start visualizing some of them
make scetches

lifetree

Albania

Idea

fotograf

footballplayer

step 3

the final design can be handdrawn or a collage or a computerized drawing.

Life can change with the time, you can be a photographer or a footballplayer but you never can forget the place where you have been born, so think about witch way you take.

step 4

Bring the associations together in a personal „motto“ / statement/ aphorism

step 5

lamine and fix it beside the rooms door
